

Business Email (Client Retention & Service Adjustment)

Original Draft (Unedited)

Subject: update about your account / pricing changes

Hi Mr. Davis,

I am writing to inform you that starting next month we are going to be making some changes to our pricing tiers for all our retainers. As you know we haven't raised our rates in two years, but due to rising software costs and team expansion we have to adjust. Your current package will go up by \$200 a month starting September 1st.

We really appreciate your business and hope you understand. Please let me know if you have questions or if you want to downgrade your service instead. We hope to continue working with you.

Thanks,

Operations Team
